

Beech's Holiday Homework Project

Dear Parents/Carers/Children,

As part of our topic work in Beech next half term we will be focusing on learning about The Egyptians. It would be helpful for the children if they had some prior knowledge about this particular topic before September.

The children can choose to write about two or three subjects from the list below:

The Pyramids

The Pharaohs

The Mummies

Daily Life

Scribes

Hieroglyphics

The work can be presented as a poster, fact file, scrap book or a power point.

Please return your project by the 10th September to be presented in class.

Enjoy your project!

Thank you for your support

Mrs Evans
