

Willow Year One Summer Homework Project

Children are to find out as much as they can about travel and transport in the past and present.

Ideas:

- Children could ask an older family member, neighbour or friend about transport they have used in the past, when they were younger.
- Children could choose one mode of transport and find out how it has changed over the past 100 years.
- Children could find out about the different ways people travel to holiday destinations now, and how this has changed from the past.
- Choose any other aspect of travel and transport to research.

Children can choose to present their findings in one of the following ways:

- Oral presentation with picture prompts
- Poster
- Scrap book

Homework projects need to be returned to school no later than 12th September.

Children will be presenting their work to the class during the week beginning 16th September.
