

Warton Nethersole's C of E Primary School

Sports Premium Spending Report

This report explains how we are intending to use our Sport Premium during this academic year and the impact of our spending last year.

Our objectives in spending P.E. funding:

1. To promote the engagement of **all** pupils in regular physical activity
2. To raise the profile of PE and Sport across the school as a tool for whole school improvement and promote positive attitudes towards active and healthy lifestyles
3. To increase the confidence, knowledge and skills of all staff in teaching PE and Sport
4. To provide a broader experience of range of sports and activities offered to all pupils
5. To provide opportunities for pupils to face up to different challenges as individuals, in groups and in teams and increase participation in competitive sport for all pupils regardless of their level of ability.

Number of pupils, and P.E. grant received last academic year 2017 - 2018, and funding for 2018 - 2019

	2017-2018	2019-2019
Total number of pupils on roll	145	149
P.E. Grant	£16,000	£16,000
Amount per pupil @ £10.00	£1,450	£1,490
Total amount of money	£17,450	£17,490

Review of the academic year 2017 – 2018

Action(s)	Impact
<p>Support package from TS Academy:</p> <p>Support package from TS Academy</p> <ul style="list-style-type: none"> • Playground Leader Training • Lunchtime Supervisors Training • Baseline Fitness Assessment • Lunchtime sports training 	<p>Teachers:</p> <ul style="list-style-type: none"> • have increased confidence in the content required for effective planning • are able to manage and organise the environment effectively to aid high quality teaching and learning • are able to implement strategies to differentiate pupils' learning effectively <p>Children:</p> <ul style="list-style-type: none"> • developed positive attitudes to participation in physical activity • developed personal qualities in physical activities and competitive situations such as commitment, fairness, playing to the rules and team spirit • responded to a variety of challenges in a range of physical contexts and environments
<p>North Warwickshire Primary School Sports Association (NWPSSA) (Competitions Package)</p>	<p>Children trained for, and took part in, competitive sports across the county, with the full support of local secondary schools staff and their venues. The school was highly successful in many competitions, winning thought to the final stages and representing Warwickshire at county level. School were awarded the Sainsbury's School Sport Gold Award 2017-2018.</p>
<p>Provision of Healthy Tuck Shop, curriculum work on healthy eating and lifestyles.</p> <p>Change for Life programme.</p> <p>Sports Leader activities on infant playground during morning break.</p>	<p>School Council pupils conducted surveys to raise the profile of healthy lifestyles and choices. Pupil voice had a direct impact, their suggested improvements were implemented resulting in a reduction of the amount of sugary snacks in lunchboxes.</p> <p>Seven families accessed the Change4Life programme and have continued to make healthier lifestyle choices.</p>
<p>Increased participation in competitions not previously entered (eg. golf, rowing, dodge ball). We increased the numbers of children competing by sending A and B teams.</p>	<p>More children were actively involved in competitions. New skills were developed. There was an increase in the number of children participating in after school sports.</p> <p>School won the Warwickshire 'Participation in Sport' award for participating in 38 out of 39 events across the year.</p>
<p>Warwickshire Cricket Board School Affiliation Package.</p>	<p>Team teaching alongside WCC coaches increased staff knowledge and skills and helped children understand the game of cricket, develop team skills and prepare for competition. Our school team won the local area rounds and progressed to the county finals at Edgbaston.</p>
<p>'Kool Kids' programme for SEND children and those with delayed or poor gross motor skills and coordination.</p> <p>6 week course of intensive support with teacher and sports coach.</p>	<p>Children improved their balance and coordination. They responded to a range of challenging physical activities and developed positive attitudes to sport. Our SEND teams took part in all activities organised by NWPSSA.</p>

<p>Following a poor Baseline in the area of EYFS Physical Development 'Bounce and Tumble' - a programme for EYFS and lower KS1 children established for the development of gross motor skills and improved balance and coordination.</p> <p>Provision of professional coach and equipment.</p>	<p>The sessions were accessed by pre-school and EYFS children weekly. Children showed improved skills and confidence with whole body movements, balance and coordination:</p> <ul style="list-style-type: none"> • Balancing whilst moving around on uneven or unstable surfaces • Controlling movements when running, stopping, climbing and balancing • Co-ordination for climbing, crawling and using ride on toys and trikes • Muscle/body strength for pushing, pulling and carrying • Eye hand or eye foot co-ordination for throwing, catching, kicking and hitting a ball <p>Current baseline of EYFS children Sept 2019 shows a marked improvement in the area of Physical Development (PD).</p>
<p>Increased participation in a wider variety of lunchtime sports activities on KS1 and KS2 playgrounds, through provision of coaches and a wider range of good quality equipment.</p>	<p>There was an increase in the number of pupils who accessed high quality sporting activities over the lunchtime period, including coaching for competitions and training for football, cross country and other sports. As a result, children's skill levels and amount of time engaged in physical activities have increased overall.</p> <p>Children:</p> <ul style="list-style-type: none"> • developed positive attitudes to participation in physical activity • developed personal qualities in physical activities and competitive situations such as commitment, fairness, playing to the rules and team spirit • responded to a variety of challenges in a range of physical contexts and environments • were well coached for competitions <p>School won the Tamworth Outdoor Athletics Competition for the third consecutive year.</p> <p>School won the Warwickshire cross country competition for small schools (boys and girls teams).</p>

Initiatives and anticipated spending 2018 - 2019

NB: Many of the initiatives that we set up last year were intended to be sustainable. Those that had the most measurable impact will be repeated in 2018-2019. We intend to improve our performance in swimming and provide water safety skills training, to supplement our current provision. There will be some investment in new equipment.

Action(s)	Intended Impact
<p>Support package from TS Academy</p> <ul style="list-style-type: none"> • Playground Leader Training • Lunchtime sports coaching • Lunchtime activities for all children 	<p>Children will: Participate in physical activity every day and develop positive attitudes towards exercise Develop personal qualities in competitive situations such as commitment, fairness, playing to the rules and team spirit Respond to a variety of challenges in a range of physical contexts and environments</p>
<p>Cost: £6,500</p>	
<p>North Warwickshire Primary School Sports Association (NWPSSA) (Competitions Package)</p> <p>Continued participation in competitions not previously entered (eg. golf, rowing, dodge ball). To continue to increase the numbers of children competing by sending A and B teams.</p> <p>To provide a wider range of sporting activities in PE lessons.</p>	<p>Children will: Train for, and take part in, competitive sports across the county, with the full support of local secondary schools staff and their venues.</p> <p>More children will be actively involved in competitions. New skills will be developed.</p>
<p>Cost: £750.00</p>	
<p>Warwickshire Cricket Board School Affiliation Package.</p>	<p>Teachers will: Engage in team teaching alongside WCC coaches to increase knowledge and skills (New staff who did not support with this last year)</p> <p>Children will: Understand the game of cricket, develop team skills and prepare for competition.</p>
<p>Cost: £650.00</p>	
<p>Move swimming provision to Kingsbury Leisure Centre to a better quality and longer lesson. Introduce water safety skills training to supplement swimming lessons at Whitemoor Lakes.</p> <p>Subsidise cost of travel to pool (and to other events where we are taking more than one team)</p>	<p>Children will: Increase their attainment by 10 metres thus increasing their confidence in water. Remaining non swimmers will achieve 25 metres thus meeting the statutory requirements of the national curriculum for PE. Be able to perform safe self-rescue over a varied distance so they are confident and safe in water. Our target is for 90%+ of pupils to achieve a minimum of 25m before leaving in year 6. (last year 65% of pupils achieved this)</p>
<p>Cost: £2,000 swimming / £1,800 water safety skills</p>	
<p>Invest in equipment to use across all year groups, particularly for athletics and gymnastics</p>	<p>Increase in coaching and PE sessions for all pupils with appropriate equipment (currently loaned from PHS).</p>

Invest in resources to increase awareness of disability in sport, and organise a Paralympics Day of Sport to create awareness and understanding about persons with impairment.	Children will: Respond to a range of challenging physical athletics activities and more will take part in local competitions. Have raised awareness of individual differences and disability issues.
Cost: £1,000	
To upskill staff in order to improve progress and achievement in LA accredited Level 3 dance and gymnastics (new subject leader / HLTA)	Better subject knowledge with staff confident to take a more active role in lessons. Increased confidence and better subject leadership skills enabling the subject leader to lead professional learning for all staff. Subject leader more confident when undertaking lesson observations/team teaching - able to provide effective feedback and lead discussions.
Cost: £1,400	
To provide a better range of sports equipment including outside all weather playground equipment. To investigate implementing a 'daily mile' initiative.	Children will: Increase their levels of activity at morning and lunchtime breaks. Develop stamina and increase fitness levels by regular running.
Cost: £3,200	
Change 4 Life Programme - children and their families to access an 8 week program Autumn term 2018. Continue to evidence compliance for 'Healthy School' – healthy tuck shop, healthy lunchboxes etc.	Children and parents will: Learn how to make changes to the way in which they shop, cook and eat. Increase exercise and monitor the impact of this.
No cost to school	
Total Cost approx. £16,600	

Swimming competency Year 6 2017-2019

Number of pupils: 17 pupils

Number of pupils achieving 25m: 11 pupils (65%)

NB: This year we have moved our swimming provision and have set a target for at least 90% + of year 6 pupils to leave school able to swim at least 25m. This will be achieved over the next 4 years (present year 3 pupils leaving in 2022).
