

Warton Nethersole's C of E Primary School Sports Premium Spending Report

This report explains how we are intending to use our Sport Premium during this academic year and the impact of our spending last year.

Our objectives in spending P.E. funding:

1. To promote the engagement of **all** pupils in regular physical activity
2. To raise the profile of PE and Sport across the school as a tool for whole school improvement and promote positive attitudes towards active and healthy lifestyles
3. To increase the confidence, knowledge and skills of all staff in teaching PE and Sport
4. To provide a broader experience of range of sports and activities offered to all pupils
5. To provide opportunities for pupils to face up to different challenges as individuals, in groups and in teams and increase participation in competitive sport for all pupils regardless of their level of ability.

Number of pupils, and P.E. grant received last academic Year 2019 - 2020

	2019-2020
Total number of pupils on roll	156
P.E. Grant	£16,000
Amount per pupil @ £10.00	£1,560
Total amount of money	£17,560

Swimming competency Year 6 2019-2020

Number of pupils: 19 pupils

Number of pupils achieving at least the minimum National Curriculum requirements: **14 (74%)**

NB: Last year we moved our swimming provision in order to provide higher quality lesson. We have set a target for 100% of pupils to leave school able to swim at least 25m to be achieved over the next 4 years (pupils leaving in 2022).

Review of the academic year 2019 - 2020

NB: Many of the initiatives that we set up last year were intended to be sustainable. Those that had the most measurable impact will be repeated in 2019-2020. We intend to improve our performance in swimming and provide water safety skills training, to supplement our current provision.

Action(s)	Intended Impact
<p>Support package from TS Academy</p> <ul style="list-style-type: none"> • Playground Leader Training • Lunchtime sports coaching • Lunchtime activities for all children 	<p>Children will: Participate in physical activity every day and develop positive attitudes towards exercise Develop personal qualities in competitive situations such as commitment, fairness, playing to the rules and team spirit Respond to a variety of challenges in a range of physical contexts and environments. Children are active every day – there is a wide range of sporting activities on offer at lunchtime. Year 6 children are engaging with younger children on the front playground every day on a rota. Coaching takes place at lunchtime (Mrs Day and Miss Day) and at lunchtimes (TS academy).</p>
<p>Cost: £6,500</p>	
<p>North Warwickshire Primary School Sports Association (NWPSA) (Competitions Package)</p> <p>Continued participation in competitions not previously entered (eg. golf, rowing, dodge ball). To continue to increase the numbers of children competing by sending A and B teams.</p> <p>To provide a wider range of sporting activities in PE lessons.</p>	<p>Children will: Train for, and take part in, competitive sports across the county, with the full support of local secondary schools staff and their venues.</p> <p>More children will be actively involved in competitions. New skills will be developed. We have sent teams out to every organised NWSSP event and, in many cases, they have progressed to level 3 competitions. PE lessons include a wide range of activities which covers all aspects of the National Curriculum on a structured LTP (attached)</p>
<p>Cost: £750.00</p>	
<p>Warwickshire Cricket Board School Affiliation Package.</p>	<p>Teachers will: Engage in team teaching alongside WCC coaches to increase knowledge and skills (New staff who did not support with this last year)</p> <p>Children will: Understand the game of cricket, develop team skills and prepare for competition. Cricket hasn't started yet but will take place over the summer term. Cricket did not happen due to COVID</p>
<p>Cost: £650.00</p>	
<p>Move swimming provision to Kingsbury Leisure Centre to a better quality and longer lesson. Introduce water safety skills training to supplement swimming lessons at Whitmoor Lakes.</p> <p>Subsidise cost of travel to pool (and to other events where we are taking more than one team)</p>	<p>Children will: Increase their attainment by 10 metres thus increasing their confidence in water. Remaining non swimmers will achieve 25 metres thus meeting the statutory requirements of the national curriculum for PE. Be able to confidently perform a variety of strokes (breaststroke, front crawl, backstroke). Be able to perform safe self-rescue over a varied distance so they are confident and safe in water. Our target is for 100%+ of pupils to achieve a minimum of 25m before leaving in year 6. Swimming provision is of a much higher quality since moving from Atherstone to Kingsbury. However, not all children achieved the requirements of the NC last academic year for a number of reasons.</p>

NB Due to the COVID-19 lockdown some of the planned activities did not take place or were cut short. PE lessons were sent home weekly to children via Tapestry during their time out of school and we also took part in some competitions and a mini-Olympics. Most children started the day with the Joe Wikes workout.

Any unspent funding will be carried forward to next year.
