

Willow Year One

Home Learning

- Choose an inventor to research:
 - Find out as much as you can
 - Create an information pack about your chosen inventor
- Read, read, read:
 - How many books can you read?
 - Write a book review for each book you read
- Measure a range of different things:
 - Length (non-standard i.e. how many cubes long?
And then in cm)
 - Height (non-standard i.e. how many cubes long?
And then in cm)
 - Weight (comparing i.e. this is heavier, this is lighter)
 - Volume (how many cups of water to fill this container?)
- Create patterns:
 - Using a range of objects
 - How complicated can you make your patterns?
- Write creatively:
 - Letter
 - Story
 - Fact file
