KEEPING CHILDREN SAFE Can we once again remind parents to park responsibly when dropping off, and collecting, their children at the beginning and end of the school day? This week we have received complaints both from parents, and local residents, about dangerous parking around school. This matter has been referred to our community police officer who will be monitoring the situation and issuing fines if necessary. **THIS APPLIES TO EVERYONE!!**

Newton Shield Football Tournament

Extraordinary effort!

Last week, on Thursday afternoon, our year 3 / 4 football team played at Baddesley. They played brilliantly and won a game 3-1. One of their players (Dan Roberts) got a hat trick in their winning game and altogether scored 4 goals! Even though they didn't get through to the next stage, they played well as a team and scored lots of goals!

School Attendance

Last month the overall attendance across all classes was **95.4%**. Our school target is **98.5%**.

During our last Ofsted inspection the inspector recognised our 'high levels of attendance and punctuality' as making 'a significant contribution towards the pupils' education'.

We rely on your support to maintain high educational standards by not applying to the school for holidays in term time as these are very rarely approved.

We are obliged to stick to the Government guidelines which only allow us to grant term time leave in **exceptional circumstances**.

Thank you for your cooperation with this

Reading Challenge winners!

Well done to everyone who took part in our summer reading challenge - 43 children entered which was a fantastic response! The quality of the entries was so good that it was difficult to pick winners, but the children above were chosen after much deliberation! Annabel Jones, Sam Moss, Abigail Thomlinson, Connie Miller, Noah Smith, Lyla Grace Baker.

FARMERS' MARKET

On Friday 14th October we are holding a Farmers' Market at the end of the school day.

Everyone is welcome to come along to sell any produce including fruit and vegetables, home made cakes, bread, jams and chutneys etc. Home made craft items are also welcome. All classes will be making and selling things for the market and there will also be a 'pop up' café for refreshments. Please come along and support us!

HARVEST FESTIVAL

Please send in goods and produce for our Harvest Festival with the children next week. Contributions of tea, coffee, biscuits and jars of jam are particularly welcome for our gift bags for the elderly residents of the village.

THANK YOU!

Earrings and jewellery in school

Please ensure that only very small studs are worn for school if your child has pierced ears. These must be removed, or covered with tape, for PE lessons. For swimming, the pool at Atherstone requires that earrings are removed, so Maple children should not wear any earrings on Fridays please.
