**Keeping Children Safe:** We have spoken to the children this week about road safety following concerns raised by a number of parents who have recently spotted a group of children riding their bikes in the road, without due care to traffic. It also seems that some children are still out when the light is fading, and without lights on their bikes. Our community policeman will be coming in to speak to the children next week, and we are asking all parents to ensure that this message is reinforced at home. Thank you.
