School Uniform The children all look very smart in their new school uniforms. Wearing our school colours and the windmill logo helps to give our children a sense of identity and promotes an ethos of belonging and unity. We want our children to be proud of the fact that they belong to our school. All children are expected to wear school uniform every day. Please make sure that your child is wearing a royal blue sweat-top or cardigan, and mid-grey trousers, skirt or pinafore dress (not black or navy). Girls should wear white or grey socks or grey tights. We expect children to wear smart black school shoes not trainers. No nail varnish or extreme hairstyles please! Thank you for your support with this.

If your child needs a new water bottle these are available from the school office priced £1.50. We prefer children to use the school bottles as they fit neatly into our storage boxes. The bottles are cleaned and re-filled regularly so there is no need for them to go home every day to be washed.

BOUNCE AND TUMBLE sessions will be starting again next Thursday in the school hall. All ages of pre-school children are welcome. 9.15 -11am (£2.00)

Biogen have contacted us to say that they will be muck spreading in fields to the north of the school next week .

Please be aware that there will be a lot of contractors with tankers using the road through Warton.

They will be under strict instruction to drive slowly, and have promised to try to avoid our busiest drop off and pick up times at the beginning and end of the school day.

IMPORTANT NOTICE Thank you for not bringing money to the school office as this needs to be entered into individual class account books. Dinner money envelopes will be provided for those children who regularly take school meals in KS2 . All other money should be sent into school with your child, in a clearly marked envelope, and given to the class teaching assistant. Parents in Willow and Sycamore can hand in the envelopes to their class TAs if they wish.

Attached to this Newsletter is a list of dates and events which have already been planned for the next academic year. Please keep this safe. We will give you as much notice as possible when new dates are added, or if events have to be changed, and the list will be updated on the website
