### KEEPING CHILDREN SAFE

**Earrings and jewellery in school** Please ensure that only very small studs are worn for school if your child has pierced ears. These must be removed, or covered with tape, for PE lessons. For swimming, the pool at Atherstone requires that earrings are removed, so Maple children should not wear any earrings on Fridays please.

Please send in any fresh produce for Harvest next week. We still also need donations of dried and tinned goods for our gift bags. Any foodstuffs that are not distributed in the village will be taken to the Birmingham Mission.

This year we are also supporting the charity 'Send a Cow'. We hope to raise enough money to give a family in rural Africa the seeds, tools and training they need to grow an abundant Harvest year after year. There will be Harvest 'Cash Dump' buckets in school all next week for any loose change that you want to get rid of. Turn out your pockets and look down the back of your sofa!

### Statutory Assessment Tests (SATs)

**Year 6 SATs will take place week beginning 14th May next year.**

**Year 2 children will do their tests during the month of May.**

**It is especially important that Year 6 and Year 2 children are not missing from school at any point during the year.**

**We ask for your co-operation in ensuring that there is no disruption to their learning during this important time.**

**THANK YOU**

## Participation in Sport Award

We have been presented with this lovely cut glass trophy for our high levels of participation in local sports competitions. Out of a possible 33 events we competed in 33! Thank you to all the children who represent the school so well, for parents who support and transport them and to Mrs Day and Top Score for training and managing the teams.

## PUNCTUALITY

A few children arrived late to school last week and were brought to the front entrance. Please make sure that you arrive before the side doors are closed at 9am. Children are meant to be working from 8.50 and being late is not a good start to their day. If children arrive after the register is closed the absence is recorded as unauthorised.

**THANK YOU**

## HOMEWORK JOURNALS

Thank you for supporting the children with their reading, GPS and maths homework. Please encourage them to take care of their journals and have them in their book bags so that new work can be added regularly. Following your feedback we have drafted a new homework policy which is now available on the website.
