School Uniform and PE Kit

We have noticed quite a few breaches of our uniform regulations this week. Please help us to maintain our high standards by ensuring that your child is wearing the correct clothes to school. No flowery leggings or bright stripy socks please! No football shirts or dance wear for PE.

Children should only be wearing white t-shirts and black or navy shorts in their PE lessons. Jog trousers are only needed for outside activities in the winter.

Children should also have a waterproof coat in school every day, a fleece is not suitable for damp weather.

Faith Workshops

On Friday 26th January Maple Rowan and Oak classes took part in faith workshops which involved visiting speakers discussing their different religions. They were able to

appreciate the differences between the faiths but they also found lots of areas of commonality between them as well. The children were commended for their behaviour, listening skills and the quality of the questions they asked.
