

**KEEPING CHILDREN SAFE** We are aware that some children are talking to each other and exchanging photographs on Snapchat. The official minimum age to set up an account with Snapchat is 13. Please monitor your child's use of the internet carefully as there are dangers associated even with sites which may appear to be harmless. These are the risks on Snapchat that children identified:

- Strangers adding you
- You can't control what you see when you open a Snapchat from someone else
- People can screenshot your Snapchats and then share them

### Sport Relief

On Friday next week children can come to school dressed in their favourite sports clothes for a donation of £1.00.

We will also be selling Sport Relief wristbands (as soon as they arrive!)

Everyone will be 'stepping out' around the school grounds on Friday. We will count our footsteps and convert them into kilometres to see how far our steps could take us. Watch this space!

### Summer PE Kit

As the weather starts to get warmer our PE sessions will be held outside

Please make sure that your child has outside kit in school, especially suitable footwear, for next term.

THANK YOU

### EASTER SERVICE

Please note that we need to be in church earlier than usual on Thursday 29th as Rev . Banks is conducting a funeral later in the morning. Please ensure that your child arrives to school promptly. We will leave straight after register and aim to be in Church for 9.15am.

### Healthy Lunchboxes

Government statistics show that children eat three times more sugar than they should, with 50% of this sugar coming from snacks and sugary drinks.

We have lots of resources in school to help children learn about choosing healthier snacks. Next week we will be sending home a Family Snack Challenge leaflet with the children. If you complete the challenge you can sign up for money off vouchers through the Change4Life initiative. Please continue to ensure that lunchboxes do not contain sweets, chocolate or fizzy drinks. THANK YOU
