KEEPING CHILDREN SAFE Key Stage 2 Teachers are happy to speak to parents in the morning but please call at reception and we will ask them to come round and meet you. For safeguarding reasons only staff and children should come into school through the back door.

Willow, Sycamore and Beech teachers are always at their classroom doors in the morning , and on the playground at the end of the day, if you need a quick word. You can also make an appointment at any time to speak to staff in you have any concerns about your child. THANK YOU

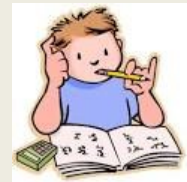

Picking up your child

You must inform school if you are arranging for someone else to collect your child. We will shortly be writing to Year 5 /6 parents seeking written consent for children to walk home by themselves should you allow them to do this.

Some children are still without water bottles - please buy a bottle from the office if you have not yet already done so. Cost £2.00

MATHS HOMEWORK BOOKLETS

We will soon be sending home new maths booklets which contain activities to do at home with your child.

We will be holding short information meeting to introduce these to you on:

Tuesday 2nd October at 3pm in the school hall.

We look forward to seeing you there.

Parents' Evenings

Monday 22nd October /

Wednesday 24th October

Further details and an appointment booking slip will be sent out next week.

BOOK FAYRE

Thank you for supporting our Book Fayre last week.

We made a total of £230.00.

The commission will be spent on books for the school.

Some of Willow

children are pictured above with Clifford who toured round the classrooms, and interrupted Mrs Bostock's assembly, to promote the event!

Healthy Lunchboxes

Please do not put sweets or fizzy drinks into your child's lunchbox.

Try to include some fresh fruit or a yoghurt rather than cakes or biscuits.

As we are an eco-school we would also ask that you do not send in plastic bottles of water. We can supply freshly filtered water from our dispenser in school.

We do not take any food away from children except for sweets which we suggest that they take home to eat later

THANK YOU

Music Lessons

We still have a few spaces available in our small group lessons for children who wish to play the flute or clarinet. Please ask at the office if you are interested in your child taking lessons. Instruments can be hired through County Music Service.
