KEEPING CHILDREN SAFE

Some KS2 children have been arriving at school as early as 8.30am this week and waiting on the back playground unaccompanied. The school doors do not open until 8.45am and there is no need for pupils to arrive any earlier as they are not supervised and only stand getting cold! Parents who need to drop children off early to get to work are welcome to use our wrap-around service which is open from 7.30am. Please ask at the office if you would like a registration form.

Applying for a school place next year

The online application process for children starting PRIMARY school in September 2019 is now open. The closing date for applications is January 15th 2019.

If your application is late, you will be added to a waiting list and may not be offered your preferred place.
